## **ROVA STREET CAPTAIN ROLE**

### **2025 Membership Campaign**

1. Be familiar with the function of ROVA (Residents of ViewPoint Association) and invite Residents to join the Association. Membership provides access to the ROVA Website, monthly email communications, up to date Resort information and community representation.
2. Attend scheduled ROVA Street Captain meetings and events.
3. Follow up on email bounces, unsubscribe notices, and other data issues as per assigned by the Membership Database Administrator.
4. Communicate accurate and noteworthy information to Residents. This is done in a manner that is suitable to the street. If communication is passed via email, ensure that those residents that do not have email are also kept informed. ROVA Street Captain Coordinators or other board members may be available for a street event and the sharing of information.
5. Represent a positive attitude and encourage Residents to become involved and proactive.
6. Communicate to the ROVA Street Captain Phase Coordinators or other board members, Owner's concerns that may be brought to your attention.
7. Inform the ROVA Membership Database Administrator of changes in your email address, phone number, changes in Resort address or resignation from being a ROVA Street Captain.

Thank You,
