AAMHO

Priority: Medium Responsibility: ROVA Assigned To: Kath

Question: Update 6/17/25

Discussion: The heat information program AAMHO put on was a great success. There were over 325 people that participated in the meeting and even more heat packets were provided.

They confirmed that "Good Neighbors" will work to assist any residents that would like assistance if the power fails.

Kath is trying to persuade the local TV stations to do a series on heat related issue for senior and mobile home parks.

There is a trend starting in a number of states providing rent stabilization. To bring this to AZ it will require educating the legislators and providing concrete data to support moving forward with rent stabilization in AZ.

ANNUAL MEETING (AGM)

Priority: Low Responsibility: ROVA Assigned To: Joel

Question: AGM update 6/17/25

Discussion: This topic will be put on the agenda for October. The room has been booked as well as the media systems.

CANADA SNOWBIRDS

Priority: Low Responsibility: ROVA Assigned To: All

Question: Place holder for November

Discussion:

DIRECTORY

Priority: High Responsibility: ELSVP Assigned To: Bill E Tim

Question: Any update or tasks ROVA can do

Discussion: The directory is virtually complete. ViewPoint will not provide printed copies of the directory but will continue to update and make available electronically. For residents that do not have internet availability ROVA is considering printing a limited number of directories to assist members that may need them. ROVA may look at cost of printing a greater number of hard copies but that will be determined after we see more details. We will still encourage ViewPoint to provide hard copies for residents without internet capabilities.

This will be re-addressed in October.

Question: Update on letter to street captains

Discussion: The letter to the street captains is being updated and will be provided to the board for review in July.

----------------	----------------------	-------------------

Question: Any update on information to be supplied?

Discussion: With the current US/Canadian situations our Canadian members may be in limbo as to returning. Therefore, the street captain team will ask our Canadian partners their thoughts about returning this year and continue to be a street captain.

There are 289 ROVA member sites that are Canadian. That doesn't include all residents, only the ROVA members.

When possible we will add a field on the registration form for the country they are from.
